## Intro

- Front end enthusiast, lifelong learner
- Attention to detail
- Team player and positive reinforcer
- 3 years front end development experience
- VueJS, TypeScript, React, Quasar, Javascript, HTML5/CSS
- Swiss resident (B permit)

## Work experience

### Front End Developer, Joineer AG — 2020 - 2023

Permanent position in an agile development team. Building, maintaining and improving user facing interfaces hand in hand with backend developers. VueJS, Vuetify, TypeScript, Jest, GIT, Docker

### Customer support specialist & North America product assistant, Wise (formerly TransferWise) — 2015-2019

Senior support specialist. Also involved part time in the developer team as an user insight consultant.

### Freelance illustrator — 2016- ...

As a side hobby I create comics and custom design mugs/T-shirts/illustrations. Some of them you may see on my website gallery:

<https://www.anzudev.work/#/gallery>

## Education

- Gymnasium: Kivilinna Gümnaasium 2007-2010 (Estonia)  
English-language and culture
- Lynda.com [Photoshop CC 2017 One-on-One: Fundamentals](#)
- Edx.org HTML & CSS Fundamentals + beginner SQL
- Colt Steele's [The Web Development Bootcamp](#)
- Colt Steele's [The Modern Javascript Bootcamp Course \(2020\)](#)
- Maximilian Scharzmüller's [VueJS 2 Complete Guide](#)

## Language

- Estonian (native)
- English (written/spoken) - fluent
- German - B1

## Personal

I moved from Estonia to Switzerland in 2019 to build a life with my Swiss husband. When I'm not working on coding, I'm creating jewelry or some other crafts to unwind. Sometimes you may find me LARPing some fantasy character!
